NO: 113, October 23, 6 p.m.

SENT DEPARTMENT 113; REPEATED INFORMATION GUATEMALA CITY 13.

President Somoza called me 5 p.m. to express concern about Guatemalan situation and ask whether Embassy had any information about it. He has been in touch with his Ambassador there and understands there are serious disorders and elections have been annulled. He fears annulment may be interpreted as breaking of promise by Oliva, latter may lose control of army, and Ydigoras may eventually emerge on top. He thinks Ydigoras himself is all right but has accepted support of pro-Communist elements who would ultimately dominate him.

I told President I would try get some information for him.
